

IONBOND - THE SURFACE ENGINEERS

Ionbond is a global, yet local company, where we work in a dynamic environment and where employees are able to make a difference. We provide thin-film coating services and operate 37 coating centers in 16 countries. Our coatings are used to improve durability, quality, functionality, efficiency and aesthetics of tools and components. Ionbond is a global leader in PVD, CVD and PACVD coating technologies.

Account Manager – Michigan

The Account Manager is responsible for retaining and servicing our existing customer base through problem-solving, developing relationships, and documenting technical services. In addition, managing and expanding sales for the Ionbond™ family of coatings and services to our existing and prospective customer base in a given geographic region.

WHAT DEFINES THIS JOB?
