

## Delivery Driver – Duncan, SC

Are you driven by providing excellent customer service and being a key member of a team? Do you have an interest in working in a production environment that includes a high-level of customer interaction? Ionbond is seeking a Delivery Driver to work side-by-side with the Customer Service team to continually exceed customer expectations by delivering high quality Ionbond™ coatings and services. If you can bring your energy, openness to challenges, and commitment to quality, then this role could be a perfect career opportunity for you. This position reports to the Plant Manager of the Coating Center located in Duncan, South Carolina.

### Ionbond – The Surface Engineers™

Ionbond is a global, yet local acting, company where we work in a technical innovative environment. Our employees make a difference for companies in medical, automotive, aerospace and decorative industries with providing thin-film coating services. We operate 35 coating centers in 15 countries over 3 continents. Our coatings are used to improve durability, quality, functionality, efficiency and aesthetics of tools and components. Ionbond is a global leader in PVD, CVD and PACVD coating technologies.
