

IONBOND - THE SURFACE ENGINEERS

Ionbond is a global, yet local company, where we work in a dynamic environment and where employees are able to make a difference. We provide thin-film coating services and operate 37 coating centers in 16 countries. Our coatings are used to improve durability, quality, functionality, efficiency and aesthetics of tools and components. Ionbond is a global leader in PVD, CVD and PACVD coating technologies.

Production Supervisor – Portsmouth, NH

The Production Supervisor is responsible for managing a diverse team of production employees. The primary goal is to properly organize staff and achieve optimal workflow. This position will also include directing, training, and assisting the Production Team effectively in order to maintain quality, safety, compliance, on-time delivery, & customer satisfaction by ensuring the proper Ionbond™ family of coatings and services are applied. This position reports directly to the Plant Manager.
